

Bold Visuals. Big Impact.

Large Format Print & Environmental Graphics by DG3

At DG3, we help brands break out of the small screen and command attention in the real world. With our large format print and environmental graphic solutions, we oversee every detail of the process—so you can transform any space into a powerful storytelling canvas, whether it's a city street, a retail environment, a corporate headquarters, or a live event.

Our Capabilities

Large Format Print Solutions

- Wide-format posters and banners
- Trade show booths and event signage
- Custom finishing, mounting, and installation services

Semi-Permanent Signage

- Retail displays and point-of-purchase solutions
- Seasonal campaigns with lasting durability
- Modular systems for flexible messaging

Environmental Graphics

- Wall murals, floor graphics, window clings, and architectural wraps
- Corporate branding for lobbies, conference rooms, and campuses
- Experiential installations that bring your brand to life

Out-of-Home (OOH) Advertising

- Billboards, transit wraps, posters, and banners
- Durable substrates for outdoor conditions
- High-resolution, vivid color printing
