

# Your Box. Your Brand. Make it Count.

Packaging Solutions by DG3

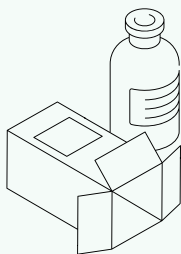

At DG3, we help companies bring their brands to life through packaging that protects, performs, and persuades. From corrugated cartons and setup boxes to retail and promotional packaging, we manage every stage of the process—design, sourcing, production, and fulfillment—through our trusted network of best-in-class partners.

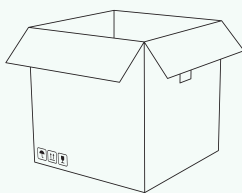

Whether you need premium product packaging, e-commerce shipping boxes, or a full retail display system, DG3 delivers packaging that looks exceptional and works seamlessly across every channel.

## What We Deliver

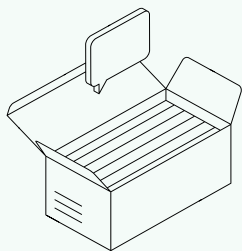

### Packaging Types

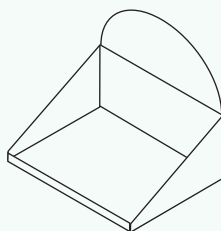

**Rigid and setup boxes**

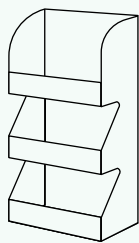

**Corrugate cartons & mailers**  
(from light-duty to heavy-duty, multi-wall options)

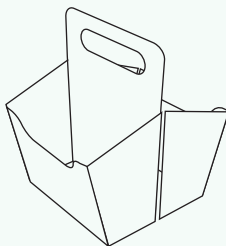

**Protective packaging** (foam interiors, cushioning, insulated & crated solutions)

**Retail & product packaging**

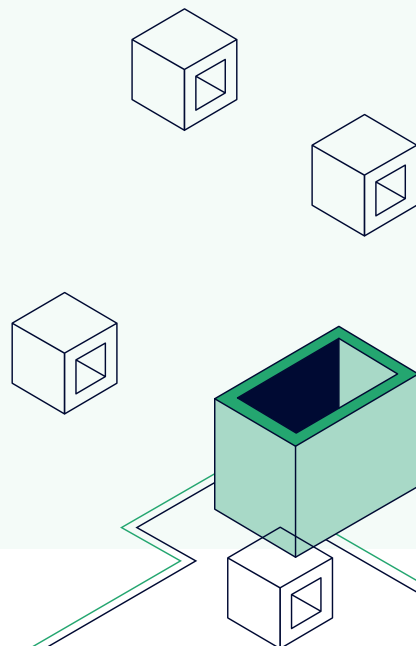

**POP displays & retail structures**

**Folding cartons & sleeves**

## Why DG3

**One Point of Contact.** DG3 manages the entire process—from concept to delivery—coordinating creative, production, and logistics.

**Beyond the Box.** We combine packaging with printed collateral, promotional products, kitting, drop shipping, and fulfillment to deliver complete branded kits.

**Integrated Expertise.** Packaging solutions connect seamlessly with DG3's omnichannel marketing capabilities.

**Sustainable Focus.** We source responsibly, leveraging recyclable and eco-friendly materials wherever possible.
